**Twisted Citrus**  
An Urban Daytime Eatery

Twisted Citrus was created from our love of breakfast! There are few things quite as enjoyable as a leisurely morning meal with family and friends.

The menu features seasonal offerings with an emphasis on local ingredients. In addition to traditional favorites, our creative team has produced some modern twists on breakfast classics.

Our goal with this restaurant is to bring a relaxed vibe to daytime dining. A famous character once said, “Life moves pretty fast. If you don't stop and look around once in a while, you could miss it.” We couldn't agree more...

Enjoy!
