

Twisted Citrus

Breakfast with a TWIST!

Twisted Citrus was created from our love of breakfast! There are few things quite as enjoyable as a leisurely morning meal with family and friends.

The menu features seasonal offerings with an emphasis on local ingredients. The eggs are cracked every day (over 10,000 per month), farm fresh vegetables are sautéed to order, custom blend sausage is hand-pattied and the griddles are topped with fruit compotes instead of imitation syrup.

Does this take a little longer? Sure...but YOU deserve the best!

Our goal with this restaurant is to bring a relaxed vibe to daytime dining. A famous character once said, "Life moves pretty fast. If you don't stop and look around once in a while, you could miss it." We couldn't agree more... Enjoy!
